MYPARFUEM
Designe Deinen Duft

# Magento Backend Developer (m/w)

## About MyParfuem:

MyParfuem is an original startup in Berlin with it's own **Mate-Cabinett**, crazy deadlines and an enormous growth.
**Germany-wide** we are the number one and we are up to be it in Europe too. MyParfuem is **offering individuality**, what makes our products more special.
As a part of our global expansion we are looking for ambitious and interesting colleagues who are willing to partake in our upcoming challenges and be responsible for the development of our business platform.

## The website about us:

MyParfuem had found the opportunity to create individual perfume.
With over **50.000 costumers**, **high-tech laboratories** and **230 m²** of production area, MyParfuem serve self-created perfume to young and confident people.
